**CHARIGNON**  
FAYAT GROUP

## Description of the company

Created in 1974, our company produced towers for energy transportation mainly for EDF and now RTE.

In 1994, we entered to FAYAT Group.

In 2006, we decided to create a joint venture company in Turkey (MICHA) with a well known partner whose name is MITAŞ.

Capacity production	CHARIGNON	5 000 ton/year	Special towers – Reinforcements
	MICHA	60 000 ton/year	Serial production
	MITAŞ	60 000 ton/year	Serial production
