Expertise & Innovation

+

of innovation

Market leader in France and one of the top companies in its field, Soparco is an industrial yet family-based French group with a Europe-wide presence via a number of commercial subsidiaries in Spain, Holland, Germany and England. Providing services to horticulture and nurseries for over 40 years, the principal driving force behind the company's development has been its focus on expertise and innovation.

With a workforce of more than 200 staff, two production plants in France, Soparco operates around the clock 7 days a week on premises covering almost 10 hectares, producing more than 500 different types of containers, transport trays and various other items for use in horticulture and nurseries.
